

Abrasive Hopper & Stand

**DESIGNED FOR USE WITH 2,200 & 4,400-LB. BULK BAGS.
4,400-LB. TOTAL CAPACITY.**

The optional stand may be placed over a standard 6 cubic foot abrasive delivery pot. The hopper is designed for accurate and safe positioning on top of the stand.

Features

- Convenient sight glass for easy viewing of abrasive level
- 2" brass ball valve with hose for expedient filling of abrasive delivery pot
- Protective cover to keep the abrasive free of debris
- Can be used with multiple 6 cubic foot abrasive pots

Benefits

- Saves labor – eliminates the time spent handling individual 55-lb. bags
- Increases safety – minimize the chance of injury from handling 55-lb. bags
- Minimizes clogs – no paper bags, minimizing the risk of torn paper in the abrasive
- Maintenance free

Safety

- Includes anchor bolts and connecting pins

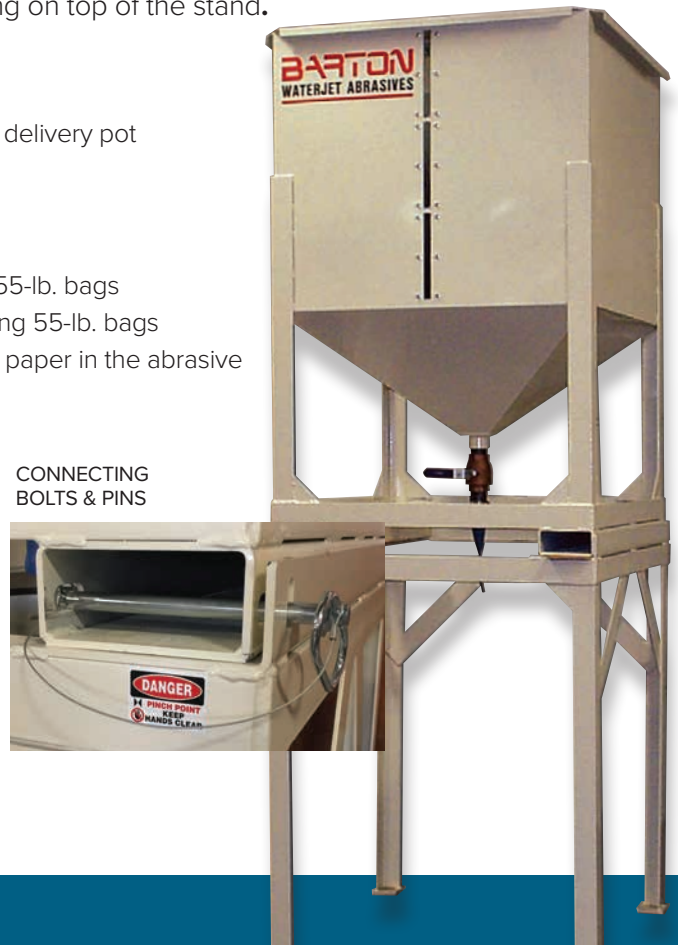

Abrasive Hopper
